Sir:

Applicant has read and considered the Office Action dated March 7, 2005 concerning the above-identified patent application.

In the Detailed Action, a restriction requirement was placed between invention I, namely claims 1-9, drawn to a current interrupter, and invention II, namely claims 10-21, drawn to a method of making a current interrupter.

Applicant hereby elects invention I, namely claims 1-9.
